

spirit[®] 6

Chemistry that helps.

INDUSTRIAL CLEANER

Spirit 6 is a industrial cleaning agent spray for machinery and tools

- it dissolves grease, tar, glue and other industrial dirt and enables their removal
- it eases work of precise mechanisms (car antennas and door - locks)
- does not dry the surface, leaves a preserving layer
- dissolves and cleans adhesive remainings of adhesive tapes
- perfect for cleaning printing machinery of glue remaining
- in the construction industry helps removing glue of the security - and assembling - tapes
- neutral in contact with metal, plastics, glass and ceramics
- safe for laminated and varnished surfaces

ATTENTION!

Removes the remainings of the temporary adhesives Spirit 5 and Spirit 5 strong.

Directions:

Shake well, spray the surface from 20 cm distance. Wait a few minutes then clean the dirt with a dry cloth.
